

## ***PROOF OF MEETINGS AND DAILY SCRUM***

Minutes of the meeting with the Tutor

Meeting date: 08 June 2020

### AGENDA

- Show the tutor what we have thus far related to diagrams
- Understand if we still correct with what is required
- Get additional requirements from the tutor

### OUTCOME

- Tutor is happy with our progress, but we still need to correct our diagrams and polish our project
- Some misunderstanding about diagrams were cleared

yoh.. do you have an idea of the expectations of polishing?

The website should look very nice. Like if you look at it and you were a client would you want to buy the website

Okay let's make it happen then

15:54

Dimpho

I showed him commits went down we looked at the branch history but he said it's ok

You

What are we left with on the theory part?

Diagrams, add some notes on wiki, polish the user stories .. that's what I can think still needs to be done

~RomeoThema

+27 79 023 2686

So @RomeoThema will have to do the all the test (about 600 lines untested) and the final touch ups

I dont even know wher to start

Yes

06:49

Dimpho

Dimpho

These are the ones I tried to do you can verify them

So did anyone draw the diagrams with [draw.io](https://draw.io) or we gonna consult with them like this? 06:50

Felicia

If no one did we can show him like this. Less commitment. They look clean 06:57

Dimpho

Okay cool 07:00
